VISUAL	AUDIO
Ext. Day. Establishing panning drone shot of college campus	Music is steady pace, tribal, jungle.
LS of Gorlok walking behind the trees.	Music is steady pace, tribal, jungle. SFX of large animal feet walking in the bushes.
CU of Gorlok feet walking behind the trees.	Music is slow. Steady pace, tribal, jungle. SFX of large animal feet walking in the bushes VO: Behind the trees off into the distance is a slow stealthily moving large mythical creature.
Worm's eye view of the Gorlok slightly visible behind the bushes and trees	VO: Beyond six feet in height, this enormous orange tabby colored furry grizzly...

"Guess Who the Gorlok" Draft 1 9/24/20

Tierra Gray & Gypsi Pate

VISUAL	AUDIO
MS of Gorlok slightly visible behind the bushes and trees.	VO: ...chunky pug face and broad shouldered pointy-eared creature with no tail, neither barks nor moos.
CU of Gorlok	VO: He growls with a grinning gullible stride.
MS of Gorlok	VO: A cross between a cheetah, buffalo and St. Bernard dog his name derives from the intersecting Gore and Lockwood streets.
LS of Gorlok in a stadium flexing. Faded background of audience standing and sitting in the seats. Text superimposed on screen: The Gorlok Graphic - Webster University Logo bottom left corner	VO: Taking center stage on the court and at the game, proudly strutting his Webster Spirit as what we all know today as -- the Gorlok. SFX applause
